- **Eclectic/Shootout – Commencing 7th March 2026 (Saturdays and Sundays)**
Entry Fee: \$20 plus \$2 per round (for the scores to be counted towards eclectic/shootout).

The Eclectic is a year-long competition in which your best gross scores on each hole, as scored during **Saturday and Sunday** competitions, are compiled into a single 18-hole score.

Then half of your initial playing handicap (when you paid your \$20 entry fee) is then subtracted from that gross score, resulting in a half-nett score that will seed the top 19 players for the shootout. **Note** - if any of the top 19 are unavailable for the shootout, then the next seeded player will be invited to play.

A minimum of 10 rounds must be played to be eligible for the top 19 shootout.

End of year SHOOTOUT will occur on Saturday 28th November 2026 10am tee off

The income from the eclectic entry and subsequent rounds is then divided up between the shootout contestants (the number of players to receive prize money and the distribution amount is to be decided by the match committee once total prize pool is finalised)

Format for shootout is best Nett on each hole with one player dropping out each hole.

In the event of a tie for worst Nett on each hole, the match committee will select chip off locations and the players will draw straws for order of chip off. The furthest away from flag is the player who drops out. (players will be permitted to watch other players shots in the chip off)
